To Our Valued Guests,

As you all may already know, all restaurants and bars have been mandated to close for the next 2 weeks. It is with heavy hearts that we have closed our doors and are unable to offer a place of respite during these trying times.

In the best way we know how we are offering our love to our community with offering food and beverage for pick up!

Beginning on Wednesday March 18th we will be serving take-out food Tuesday through Sunday from noon to 8pm, as well as wine and beer from our bottle shop!

Each day we will be posting our abbreviated menu that will be available for that evening. We will be posting it on our social media pages and on our website.

All gratuities collected will be placed into an emergency fund to assist any of our teammates if they are in need. Once we are back in service any remainder will be distributed to our hourly staff!

Please support small business however you can, it will help make sure we are all still around when we can get back to a better sense of normalcy.

Please give us a call to place your orders!

All of our love,
The LUCA Family
